

S. P. ACCEPTS COMMISSION'S RULING.

RAILROAD ISSUES TARIFFS EMBODYING RATES ORDERED BY RAILROAD COMMISSION, THUS ENDING LONG CONTROVERSY.

By acceptance by the Southern Pacific Railroad Company of the State Railroad Commission's plan of uniform switching zones and charges for the state's chief industrial centers, a controversy that has been before the state body and the Interstate Commerce Commission for four years is brought to an end, according to an announcement by the commission Tuesday. Not only is the order of the commission as to South San Francisco, Oakland and Los Angeles, now in effect, but the railroad company has voluntarily adopted the recommendation of the commission that the same schedule be applied to Oakland-Alameda, Oakland-Berkeley, and Berkeley-Emeryville switching territory. Six large industrial zones are now on an equality as to distances and rates and a substantial reduction in charges is effective.

The acceptance of the commission's order and recommendation is indicated by the Southern Pacific Company's publication of the switching tariffs, and this puts an end to reports current when rehearing of the case was denied June 30th that the railroad company intended to carry the issue to the Interstate Commerce Commission and also to appeal to the courts.

In the original proceeding, popularly known as the South San Francisco switching case, Alameda, Berkeley and Emeryville did not intervene, and therefore only a recommendation could be made by the commission as to them. The voluntary adoption of this recommendation by the Southern Pacific Company will, in the opinion of the commission, be a great benefit to the industrial development of these transbay cities. Their switching charges are reduced to a basis of 37½ cents a ton, minimum \$8 a car and 50 cents a ton, minimum \$12 a car, according to distance. This amounts to a reduction in the rate in most cases from 80 cents to 37½ cents a ton, according to computations of the rate department of the commission.

Uniform rates and zones for South San Francisco, Oakland and Los Angeles, as ordered by the commission and put into effect by the Southern Pacific, are:

At South San Francisco there will be three zones, having a distance of approximately seven miles each, within which territory freight will be switched at a rate of 37½ cents per ton, with a minimum charge of \$8 per car, the first one extending from Elkhorn to Oakdale avenue, the second from Valencia street to Bay Shore, and the third from Oakdale avenue to South San Francisco. A rate of 50 cents per ton, with a minimum of \$12, will be assessed in the territory between Elkhorn and Bay Shore and between Valencia street and South San Francisco, the maximum distance being approximately eleven miles, and a rate of 70 cents per ton, with minimum of \$13 per car for movement between the extreme switching limits, Elkhorn to South San Francisco, a distance of thirteen miles. The principal effect of this adjustment at San Francisco will be to reduce the present rate of 80 cents per ton between South San Francisco and San Francisco to 50 cents per ton; at Oakland the 37½-cent rate will apply between Oakland wharf and Fiftieth avenue and between Fallon street and Elmhurst, while between Oakland wharf and Elmhurst the rate will be 50 cents per ton.

TWO PAY FINES FOR HAVING

Michael Smith and Sma Skalka each contributed \$25 to Judge Smith's court Thursday morning, the charge against each being that of having undersized abalones in his possession. Both were arrested by Game Warden Jack Burke at Moss Beach June 22d.

Similar charges against James Budea and Gus Grandor were dismissed.

WORK STARTS ON NEW CO. HOSPITAL

Steam Shovel Begins Excavation at Beresford; Believed Building Finished Within a Year.

That the new county hospital at Beresford will be a reality without any unnecessary delay was evidenced when excavation for the building started Monday. A huge steam shovel was unloaded from freight cars on the railroad last week and moved to the site. Monday it started tearing into the soil where the main building will stand. The shovel is at work for Barrett & Hilp, San Francisco contractors, who were awarded the general contract for the building of the hospital at the meeting of the county supervisors held June 14th. A large force of men has been put to work on the site, and the contractors have stated that work will be pushed with all possible speed in order that excavation may be completed and construction well on the way before rains begin.

After the meeting of the supervisors at the county seat Monday, the board members took a trip to the site of the future county hospital to see the work start.

Under the terms of the contract, the portion of the work to be done by Barrett & Hilp must be finished within 300 days. As soon as possible the firms holding contracts for heating and ventilating, electrical work, and plumbing will begin their tasks. These firms are, respectively, J. F. McGowan of San Mateo, M. E. Ryan of Redwood City, and J. J. McLeod of San Francisco. It is expected that the hospital will be ready for occupancy in a year.

AMERICAN LEGION POST HOLDS SMOKER AND INSTALLATION

The American Legion smoker which took place last Friday night in Metropolitan Hall started with a boxing exhibition between Otto Bissett and the "Hoosier Kid." As a prelude and interlude, snappy jazz music was rendered by G. Martin, Cadero, Canziani, Tacchi, and McSweeney.

Mr. Snow, a noted San Francisco singer, offered several very fine operatic selections. William Castro's singing brought down the house, as usual.

Maurice Koop, the outgoing commander of this post, gave a recitation which was the hit of the evening.

Both old and new officers spoke a few optimistic words on the prospects of the Legion. "Fat" Finger exhibited a line of impromptu entertainment that would force many a vaudeville actor into the background.

During the evening the newly elected officers were installed in their respective positions.

LARGE ADDITION BOUGHT FOR HOLY CROSS CEMETERY

By the terms of a deed filed Tuesday in the office of County Recorder T. C. Rice, the Roman Catholic Archbishop of San Francisco (a corporation sole) becomes the owner of ten parcels of land in the Abbey Home-sead Association tract, adjoining Holy Cross Cemetery. The property, for which \$16,500 was paid, will be used as an addition to the cemetery. The S. & H. Lachman estate were the sellers.

MOTORMAN HELD FOR SUPERIOR COURT TRIAL

Motorman Arthur J. Bloomfield of San Francisco, operator of the electric car which struck and killed Pacific Morazzini, South San Francisco dairyman, Monday evening, June 27th, appeared in the court of Judge E. E. Cunningham at South San Francisco for preliminary examination last Friday morning, and was held to answer to the superior court on a charge of manslaughter.

Bloomfield was arrested following the accident on a charge of manslaughter, but released on his own recognizance. District Attorney Franklin Swart conducted his examination. Morazzini was killed when his horse, which had become frightened at the approaching car, threw him in the car's path. He was knocked to the pavement and suffered a fractured skull and ruptured blood-vessels of the brain.

BRIDGE QUESTION IS LAID OVER TO OCT.

Railroad Commission Defers Action on Application of Moody Estate.

The Railroad Commission Tuesday continued until October the hearing on the action brought by the Moody Estate Company demanding that a drawbridge be installed at Seventh and Channel streets.

The case was postponed due to the illness of M. S. Wilson, attorney for the Moody estate.

The Moody Estate Company seeks to have the bridge installed to carry the Southern Pacific tracks and also the street traffic on Seventh street across a proposed extension of the navigable waterway of Channel street, through Seventh street to Eighth street, thereby increasing the value of the Moody property by giving it a navigable water front. The property extends for one block on the south side of Channel street west of Seventh street.

The settlement of this drawbridge question is a matter of considerable interest to San Mateo county residents, as much of the traffic from this county into the city passes along the street where the Moody estate wishes the bridge installed. The Southern Pacific Company claims that the proposed bridge would seriously delay travel along this route, and the various Chambers of Commerce of this county endorse the railroad's stand and have gone on record as against the proposed bridge.

SCOTT FAMILY HAVE VALUABLE DOG STOLEN

A. P. Scott and family are mourning the loss of a much-valued dog, which was stolen recently. This is the second time the dog has been taken, the other time he having been discovered at a ranch in Pedro Valley. The animal is a Gordon setter.

TRANSFERS H. DINGS TO FARMS COMPANY

New Concern Takes Over Vast Property of the Late Loren Coburn.

The vast ranch and timber holdings of C. H. Widemann, consisting of 10,600 acres of ranch land and approximately 4500 acres of timber land, all located in the southern portion of San Mateo county and extending along the Pacific ocean from Pescadero creek on the north to Gazos creek on the south, formerly the property of Loren Coburn, has been transferred by Widemann to a corporation known as the Peninsula Farms Company, according to the terms of a deed placed on record in the office of County Recorder T. C. Rice at Redwood City.

Attached to the deed are revenue stamps amounting to \$900, indicating that the value of the property transferred is placed at the sum of \$900,000.

With the filing of this deed a mortgage from the Peninsula Farms Company to the First Federal Trust Company, as trustee, covering the entire properties, was also filed. The purpose of the mortgage is to secure the issuance of \$900,000 first mortgage 7½ per cent serial gold bonds. George C. Miller is given as the president and C. H. Widemann as the secretary of the Peninsula Farms Company.

It is understood that these gold bonds will be used for the purpose of retiring the present mortgages on the property, held by the Hibernia Savings and Loan Society and Cullinan & Hickey of San Francisco, and the balance used in development of the different holdings.

It is rumored that the property will be subdivided and the different tracts will be sold.

FRATERNAL BROTHERHOOD HONORS DEPARTING MEMBER

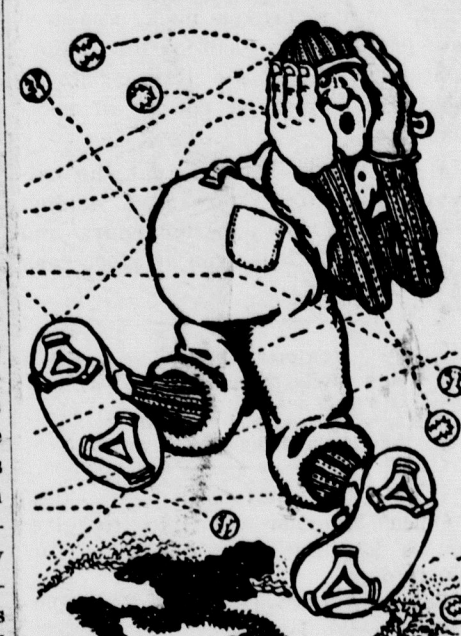

Last Friday night the members of the Fraternal Brotherhood lodge gave a social evening in honor of Mrs. D. N. Stearns, who is to leave for Santa Rosa in a few days. The evening was spent in playing games, after which refreshments were served. Mrs. Stearns was presented at that time with a beautiful jardiniere filled with flowers, A. A. Whitten making the presentation speech on behalf of the lodge members.

LEGION BALL TEAM TAKES ANOTHER GAME

Ex-Service Men Keep Up Winning Streak by Taking Bon Air Scalps.

The Bernard McCaffery Post No. 85, American Legion, baseball team broke the long winning streak of the Bon Air Club of San Francisco last Sunday on the local ball grounds by a score of 14 to 11.

Valencia, a highly recommended pitcher, started for the locals, but after pitching to two batters, showed that all he had was a wind-up. Steele then went in and pitched his regular airtight ball.

The Pitcher Was Hit Rather Freely.

The features of the game were the fast fielding of the locals and the heavy hitting of Murray and Bissett. Murray knocked a homer with two on in the fifth. Bollier made some fine catches in center.

The score:
Club— R. H. E.
Bernard McCaffery 14 17 4
Bon Air 11 16 5
Batteries—Valencia, Steele and McSweeney; Twitchell and Costello.
Umpires—Kent and Storek.

BIG WIRE CONCERN BRINGS OFFICE HERE

E. H. Edwards Co. to Move Headquarters From S. F. to Local Plant.

That the head office of the E. H. Edwards Wire Company is to be moved from the Monadnock building, San Francisco, to the big plant in this city, has been announced by the company. The move will be made during the coming week, according to a statement from E. H. Edwards, head of the big wire and steel cable manufacturing concern. The company's local plant is the largest of its kind on the Pacific Coast.

The Edwards company is the third big concern to move its head office from San Francisco to its plant in this city within a short time. The first was the Virden Packing Company, which made the move some months ago. Two weeks ago the head office of the Western Meat Company moved from its Third and Townsend street building to the local plant. It is reported that the Pacific Coast Steel Company will be the next big manufacturing firm to take a similar step. This move has been rumored for several months and is expected to take place in the near future. The removal of these offices to South San Francisco will bring, in the aggregate, several hundred new residents into this city.

+ EDWARD SANDS DROWNED +
+ AT PESCADERO THURSDAY +
+ As The Enterprise was going +
+ to press Thursday evening came +
+ word that Edward Sands, son of +
+ Mr. and Mrs. E. Sands of 633 +
+ Grand avenue, South San Fran- +
+ cisco, was drowned Thursday +

+ dero Saturday for a week's out- +
+ ing.
+ Edward Sands was 24 years of +
+ age. He was very well known in +
+ town, having lived here for many +
+ parents and other members of the +
+ family for twenty-one years.

CHAMBER OF COMMERCE JOINS PENIN. BUREAU

Booster Body Makes No Reservations in Promising Co-operation; Lower Telephone Tolls Desired.

The South San Francisco Chamber of Commerce voted at its meeting Tuesday evening to give its endorsement to the Peninsula Bureau of Transportation and to co-operate with that body. Whether they will join hands with this central organization of the county Chambers is now before every Chamber and civic body of the county. Most of them have signified their intention of doing so. A communication from the Three Cities Chamber was read at Tuesday evening's meeting. This letter stated that the Three Cities body had voted to join, provided that no expense was entailed in doing so, and also that temporary appointments made on committees at a recent meeting of the Bureau at Redwood City be reconsidered. The South San Francisco Chamber voted unanimously to join without reservations.

A communication was received from Golden Gate Post No. 40, American Legion, asking the endorsement of the Chamber to a proposition to build a \$175,000 club house at Turk and Polk streets, San Francisco. As it seemed this was out of the jurisdiction of the local Chamber, the letter was ordered filed.

A communication from the California Auto Association, asking the assistance of the Chamber to get a road sign installed at the corner of Grand and Linden avenues in this city. This was referred to the secretary to give any assistance possible.

Judge E. E. Cunningham addressed the meeting on the subject of Referendum No. 36, and approval was voted on his report.

The matter of securing a 5-cent toll telephone service between this city and San Francisco was brought up, and a committee, consisting of E. C. Peck, Dr. J. C. McGovern, Secretary H. E. Smith, and F. A. Cunningham, appointed to confer with the telephone company. The securing of lower rates on night letter telegrams for this city was also discussed.

The building of a connecting link between the north end of Linden avenue, this city, and the state highway at Colma or Daly City was brought up and discussed at length. Judge Cunningham, Mr. Henderson of Mount Olivet Cemetery, representatives of the Crocker Company, and W. J. Martin spoke on the subject, all being heartily in favor of the proposition. A committee of four, Mayor G. W. Holston, Dr. J. C. McGovern, E. E. Cunningham, and City Engineer George Kneese, was appointed to go over the proposed route thoroughly and make recommendations at the next meeting. This committee may also wait on the city trustees of Daly City to see if co-operation can be expected from those officials.

Mrs. E. P. Kauffmann left Monday for a week's vacation at Guerneville.

COLORADO MAN HELD AS BURGLARY SUSPECT

James Troutman, the colored man arrested in South San Francisco June 27th, together with two other colored men and one woman, appeared before City Recorder Meyer of Burlingame last Friday on a charge of burglary, and was held to answer to the superior court. The woman, who gave the name of Mildred Wilson at the time of her arrest, also came up for a hearing, but was dismissed. She was accused of having narcotics in her possession, but Troutman testified that he was responsible for the drugs found in the woman's apartment by the arresting officers. Troutman is said to have confessed to the robbery of the Bluebird drug store in Burlingame the night of June 23d. Several hundred dollars worth of drugs were stolen at that time and some of them recovered when the four colored people were arrested in a rooming house on Division street. The raid and arrests were planned and executed under the supervision of Chief of Police Cavalier of Burlingame, Constable Wallace and Officer McGraw participating. The other two men were released for lack of evidence sufficient to hold them.

CLAIMS DAY AT SUPERVISORS' SESSION

COUNTY BOARD HOLDS UP CLAIM OF DALY CITY RECORD-TATTLER FOR DELINQUENT TAX; MANY OTHER CLAIMS ARE ALLOWED.

All members of the board of supervisors were present at Monday's meeting at the county seat. It was "claims day," and a total of 539 claims against the county treasury were presented for payment. Of this number, 535 were passed, while four were rejected or held over for further consideration.

The first claim held up was that of the Daly City Record and Tattler for publication of the county delinquent tax list. The claim was for the sum of \$2154, this covering the publication of 3768 descriptions of property upon which taxes are delinquent. After some discussion as to this charge, which was considered excessive, it was decided to hold the claim over till next meeting.

A claim of the Club Taxi Company of Burlingame for \$15.50 for taxi hire was rejected as being excessive, the county clerk being instructed to write the company to that effect.

A bill from the Red Star Line of stages for \$50, claimed due for carrying witnesses to the Coburn murder trial, was held up until the claim should be itemized.

The bill of Mary Hatch for \$7.50 per month, claimed due for rent from May 15, 1920, to June 15, 1921, for a building in San Mateo which the claimant alleged had been used as a branch county jail, was rejected.

Mrs. Emma A. Wolsey was appointed assistant county librarian at Colma on the recommendation of County Librarian Edna Holroyd, on motion of Supervisor Hickey, seconded by Supervisor Brown, Miss Holroyd explaining the need of an assistant in Colma.

An application of V. Del Sarto of Colma for a license to peddle dry goods in that city was granted on motion of Supervisor Hickey, seconded by Supervisor Francis.

County Purchasing Agent E. H. Werder addressed the board on the subject of insurance covering the special traffic officers employed by the county, and was instructed to have one-half of the insurance cover the special and one-half cover the regular traffic officers.

Werder also presented to the board figures at which the old Haynes car in the surveyor's department could be turned in on the purchase of various makes of cars, the allowance of the Haynes people being the largest. Werder was instructed to purchase a new Haynes at \$2285, turning in the old car at \$400. Werder was also instructed to purchase a Chevrolet car at \$798.82 for the use of the county school department in sending Music and Drawing Instructor O. M. Carrington to the rural schools, as provided by the recent school law.

Supervisor Brown of the Second township was authorized to close the Crystal Springs road temporarily for repairs, which will be done by day labor.

The board authorized the transfer from the general fund to the Fourth road district fund of sufficient money to pay the claim for the gas engine purchased to operate the county rock crusher.

BODY OF HUGE WALRUS WASHES ASHORE NEAR MUSSEL ROCK

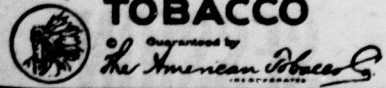

The body of a huge walrus was discovered on the beach near Mussel Rock Monday. The great carcass is estimated to weigh over a ton, being fifteen feet in length. It is the first time a walrus is known to have come so far south in the comparatively warm waters along this coast, as this animal is an inhabitant of arctic waters, and the animal probably paid with its life for wandering from its native haunts. The body was found by fishermen, and when news of the discovery went out many people gathered to inspect the curiosity.

The Ladies' Aid Sewing Circle of St. Paul's M. E. Church met at the church parlor Wednesday.

SAN BRUNO EDITOR SUEDE FOR \$10,000 DAMAGES

George A. Helmore, editor and proprietor of the San Bruno Herald and Peninsula News, has been made defendant in a suit for \$10,000 damages filed in the superior court by Edgar D. Christie, San Bruno resident, through his attorney, A. P. Black of San Francisco.

The suit is the result of an article published in Helmore's paper March 12, 1921, which the plaintiff contends was false and defamatory. In this article Christie was charged with being drunk while driving an automobile.

After a while a man learns that he can make his wife lots madder by being cheerful when she isn't.

FIRE DEPARTMENT CALLED TO BLAZE AT RICE MILL

The fire department was called to the plant of the Rice Growers' Milling Company about 9 o'clock Monday and succeeded in putting out a blaze that undoubtedly would have resulted in a large loss to the company within a very short time but for their timely arrival. The fire started from some unknown cause at the bottom of a pile of 500 sacks of rice. The night watchman at the plant smelled smoke in making his rounds and turned in the alarm. The department was upon the grounds within a few minutes.

On discovering that the blaze was under the pile of filled bags, Fire Chief Truax decided to quench it with as little water as possible to avoid damaging the sacked grain with moisture. Accordingly, the firemen turned to and moved most of the 500 bags before water was used. Only about thirty-five bags were damaged, these being slightly scorched.

RECKLESS AUTO DRIVER HELD TO SUPERIOR COURT

Frank M. Anderson, driver of the automobile which left the road at San Francisco creek on the Portola road Sunday, June 26th, crashing head-on into a tree and resulting in the death of John O'Dea of Menlo Park from a broken neck, appeared for preliminary examination before Justice of the Peace Ray Griffin at Redwood City on a charge of manslaughter.

Judge Griffin decided that the evidence submitted warranted holding Anderson to the superior court, and so ordered his bail fixed at \$1000 cash or \$2000 bonds.

MANY ATTEND SCIOTS' DANCE AND WHIST PARTY SATURDAY

The dance held by San Mateo Pyramid of Sciots last Saturday evening at Masonic Temple, San Mateo, attracted a large gathering of members of the order and of Master Masons and Order of the Eastern Star from all over the county. While the ball was in progress a whist party was held in the lodge room upstairs for the benefit of those who did not dance.

The big ballroom was filled to its capacity, and from 9 o'clock till 12 the brilliant throng dipped and swayed and whirled in care-free enjoyment of the occasion. The committee in charge had left nothing undone in preparation for the event, and everything went smoothly throughout the evening. Fruit punch was served in the ballroom while the dance was in progress, while a "spread" of ice cream and cake was held in the banquet room during an intermission. L. G. Clark of Burlingame acted as floor manager.

Nearly one hundred participated in the whist playing in the lodge room. At a short business meeting held before the dance started, it was decided that San Mateo Pyramid would have a Christmas party with the biggest tree obtainable when the Yuletide season arrives.

Harsh Comment.
"Miss Polly Oldgirl was saying the other evening she felt as young as she ever did in her life."
"I don't doubt it; she's getting near her second childhood."

PRACTICAL RECIPES

SOUR MILK IS USEFUL FOOD— DON'T GIVE IT TO THE PIGS

"Accidents will happen in the best-regulated families." In spite of the most careful protection from dust, flies, or exposure to the sun, milk occasionally turns sour in the refrigerator during the hottest months. It may be that there is more left-over milk than usual, or that the ice supply is low, or that heat or thunder have affected the milk. Sour milk, nevertheless, has the same food value as it had originally, specialists in the United States Department of Agriculture say, because it is still a source of lime for bone building, of protein for tissue repair.

Lactic Acid Considered Healthful.

The bacteria which have caused souring are not necessarily harmful, if the milk was properly cared for, and the effect of those which caused the development of the lactic acid in the milk is thought by some to be beneficial. Many who can not get butter-till the curds are broken up into fine particles, and use it in the same way.

Clabber—the coagulated, semi-liquid state of fresh sour milk—is as refreshing and wholesome as any many people, especially is served

with sugar and sweet cream. The addition of maple syrup, honey, orange marmalade, or other preserves to clabbered cream makes a delicious dessert. An excellent cake filling can be made of thick, sour cream, whipped and sweetened, with nuts added. Whipped sour cream is often added to mayonnaise salad dressing for fruit salads.

No housewife needs to be told that good gingerbread can be made with sour milk, as well as corn breads of various kinds. In most recipes where sour milk is used as a leaven with soda, fewer eggs are called for. Very good pancakes and cornbread can be made with sour milk, omitting eggs entirely. Farmers' Bulletin 565, Corn Meal as a Food and Ways of Using It, gives no less than nine recipes calling for sour milk. Among them is this easy way of making Boston brown bread:

Boston Brown Bread

- 1 cup corn meal.
- 1 cup rye meal.
- 1 cup graham flour.
- 2½ teaspoons soda.
- 1 teaspoon salt.
- 1 cup molasses.
- 2 cups sour milk, or
- 1½ cups sweet milk.

Mix and sift the dry ingredients and add the molasses and milk. Beat thoroughly and steam three and one-half hours in well-buttered, covered molds. One-pound baking powder tins are satisfactory. Remove the covers and bake the bread long enough to dry the top.

This may be made also with one and a half cups corn meal and rye meal and no graham flour. A cup of seeded and shredded raisins or prunes or a cup of currants may be added. This serves eight people.

If there is only a very little sour milk on hand, why not make some cookies? They may be made with corn meal. Outmeal cookies are also excellent.

Corn Meal Cookies

- ½ cup fat.
- ½ cup corn syrup.
- ½ cup molasses.
- 1 egg.
- 2 cups corn meal.
- ½ teaspoon soda.
- 1 cup flour.
- 1 teaspoon cinnamon.
- 6 tablespoons sour milk.

Combine the melted fat, syrup, molasses, beaten egg, and sour milk. Sift together the corn meal, soda, and flour. Add the liquid ingredients to the dry ingredients. Drop from a teaspoon into a greased pan and bake fifteen minutes in a moderate oven. This recipe makes fifty-five to sixty cookies two inches in diameter.

Sour milk or buttermilk and baking soda may frequently be substituted where the recipe calls for sweet milk. In place of one teaspoon of baking powder a scant half teaspoon of soda is used to each cup of sour milk. Chocolate cake is particularly good when this substitution is made. In

griddle cakes and muffins the same plan may be followed.

Bran Muffins

- 1 cup flour.
- 1 teaspoon salt.
- 1 teaspoon soda.
- 2 cups clean bran.
- ¼ to ½ cup sweetening.
- 1 tablespoon shortening (melted).
- 1½ to 2 cups sour milk.
- ¾ cup seeded raisins or chopped nuts.

Sift together the flour, salt, and soda and mix with this bran. Add together the sweetening, melted shortening, and part of the milk; then mix with the dry materials. Add the raisins, dusted with flour, and enough more sour milk to form a batter of such consistency that it will drop but not pour from the spoon, but be as wet as possible otherwise. Bake in greased muffin pans about one-half hour.

A WIRE FRYING BASKET HAS MANY KITCHEN USES

If one happens to possess a wire frying basket, which of course is kept scrupulously clean, there are many daily uses for it besides the occasional deep-fat frying for which it was bought.

After washing fruit, celery or lettuce, the wire basket will be found a more effective drainer than a colander. It can be set directly on the

ice to keep the product crisp, say home economics specialists of the United States Department of Agriculture.

All the tomatoes for a salad may be scalded before peeling by lowering them quickly into boiling water for a few seconds. Some peel peaches in the same way. Beets may be readily peeled if after cooking they are plunged into cold water merely long enough to loosen the skin but not chill the hot vegetable.

In boiling eggs for the family breakfast, place the required number in the wire basket and lower into boiling water. When the eggs are done they can easily be removed all at the same time by lifting out the basket. In frying croquettes or potato chips the use of the wire basket to hold the material to be fried saves time and energy.

For frying doughnuts, instead of placing the doughnuts in the basket use the bottom of the basket to force the doughnuts under the surface of

the fat as soon as they rise to the top. This use of the basket saves time and fat, for doughnuts fried under the fat absorb less grease and can be fried in a shorter time. The basket can also be used to drain the fat from the doughnuts after frying.

Another use for the wire basket is in grating soft cheese. It is much easier to force the cheese through the meshes of the wire basket than through a grater.

A Call From Home.

"I'd like to see Mr. Wadleigh." "He's listening over the telephone," said the discreet secretary.

"Listening?"

"Draw your own inference, sir. I won't say in so many words that Mrs. Wadleigh, who is at the other end of the wire, is doing all the talking."—Birmingham Age-Herald.

COMBING FOR DODGERS

Washington dispatches inform us that the government is to comb the United States for tax dodgers, especially the big offenders.

Good! All power to the governmental comb! But why use a mere comb? The expert tax dodger can crawl between the teeth of the finest comb ever made. Unlike the louse, they are too smart to be snared by so old a trick.

If the millionaires and billionaires could be forced to pay their just proportion of taxes there would be a remarkable reduction in the sum the poor man is required to hand over. But millionaires and billionaires are veritable geniuses at wriggling out of tight holes. The poor man is only an expert at hard work.

When the net closes a few of the unsophisticated will undoubtedly be caught, but the big dodgers will wriggle through the meshes. Tax dodgers are expert wrigglers.

THE WHITE MAN'S BURDEN

Practically every western state is facing for this year the greatest tax bill on record. In many instances, the tax has been doubled and trebled in the past six years.

Industry will be called upon to pay this burden and there is no way to get out of it, for the bill has been contracted.

The people are largely to blame for the present state of affairs, and they will get no relief until by their voice expressed at elections they have the courage to demand tax reduction and to hold public officials to campaign pledges for economy.

Further, the citizen must get out and vote for the men and measures which guarantee economy. If this is not done our tax burdens will grow until it will take special deputies to hunt down individuals and confiscate their property, if they have any, to meet the tax bills. This is not an exaggerated picture.

That the power to tax is the power to destroy has been already well illustrated, and taxation today is the greatest single item which prevents and will prevent a return to pre-war conditions. Inasmuch as we have an enormous war tax bill to pay in addition to our other taxes, it is all the more necessary that a reduction in local taxrolls be demanded and secured.—Industrial News.

THE SOCIALISTIC RAILROAD COLLAPSE

Jim Jam Jems escaped from custody for June at Bismarck, North Dakota, with a harrowing tale blaming the railroads with all that was done to them by the government under so-called war measures.

Increased rates, declining volume of traffic, falling off in freight and passenger business caused by five million motor vehicles hauled over roads paved largely with railroad taxes, is all blamed on the railroads.

The North Dakota economist says the railroads brought this all about and are in a conspiracy to still further ruin the people, and he paints a lurid picture of producers plundered by the railroad trust.

The railroads, regulated to a standstill by state and federal commissions, must compete with unregulated water competition and unregulated traffic over free state highways and threatened free Panama canal tolls.

To meet government wage increases under government operation, the government railroad administration tilted freight and passenger fares a billion dollars a year. That was not done by the railroads.

It is a safe statement that government operation, which as a war measure may have been excusable, but was no less a horrible object lesson in applied socialism, cost the people at least two and a half billion. The railroads did not ask to go under government regulation.

Government building and operation of ships was another war measure that may have been excusable, but as an object lesson in practical socialism has cost the people billions, and still costs a million a day. Yet these ships are allowed to haul freight for one-fifth railroad rates.

Following increases in costs of operation of railroads were planned by the union brotherhoods and executed by the Railroad Wage Board as war measures: Adamson bill raised wages \$271,000,000. January 1, 1918, a raise of \$874,000,000; 1919, a raise of \$229,000,000; 1920, a raise (just before returning the railroads to private ownership) of \$855,000,000. These burdens the producers pay, and railroads did not impose them.

These increased taxes on farmers and business men amount in four years to two billion two hundred and thirty millions, equal to total cost of operation in 1916, and with increased cost of fuel amount to a raise of \$3,411,000,000 a year.

With all the increased rates granted, the advance in the cost of operation in 1920 was \$3,411,000,000, while the increase of revenues was only \$2,574,000,000. This meant a loss of \$837,000,000 in one year. While the earnings increased 72 per cent, the operating expense increased 142 per cent.

As shown by President Sproule of the Southern Pacific, none of these outrageous burdens were imposed on the people by the railroads, as the exponent of truth-telling from North Dakota represents, but by socialistic political methods, the very opposite of approved railroad business methods followed successfully for half a century.—Industrial News.

A new continent is said to have been discovered in the antarctic regions in which no booze has ever been made or sold. It is uninhabited.

Keep moving, brother. Life won't wait for you.

PERSONALS.

Dr. J. C. McGovern and family will leave Saturday for their summer home near Halfmoon Bay. They will remain there for the remainder of the summer.

Mrs. J. Hattersley and daughter, Ruth, of Jackson have moved to this city recently to join Mr. Hattersley, who is employed at the Western Meat Plant.

A. T. Arndt and Henry Knott returned Monday from a ten days' vacation trip. Mr. Arndt motored to Harbin Springs, Hobert Springs, Adams Springs, and Blue Lake Springs.

Mr. and Mrs. R. Tibbetts and daughter, Rhoda, and granddaughter, Annette Rhoda Nessler, and Miss Ellen Van Tassel have left for a camping trip to Monterey. They expect to be gone three weeks.

Mr. and Mrs. Paul Blank and son, Paul, who left recently for Indianapolis, have written to friends here that they made the trip of 3000 miles in fifteen days. They had a fine trip, with no trouble.

A number of local items were received at The Enterprise office this week unsigned. They are not used in this issue, as this paper must know from whom its material is received. The Enterprise is always glad to get news notes, but must know from whom they come. Sign your name as evidence of your good faith.

Miss Norma Belli resigned from her position as head nurse at the South San Francisco Hospital this week. Miss Belli expects to remain at her home in Colma for a few weeks and will then visit friends at Calistoga and Los Gatos. Miss Belli has been connected with the local hospital for several years.

Dr. J. C. McGovern and son, Alpheus, returned last Saturday from Yosemite, where they spent a week. They report having a fine time. They took a twenty-five mile hike one day.

Raymond Spangler, son of Mr. and Mrs. M. L. Spangler and a member of the graduating class of the local high school this year, entered the summer session of Stanford University recently.

GRASS FIRES CALL DEPT. OUT THREE TIMES IN ONE DAY

Grass fires got the department out three times Wednesday. The fires were all in the north end of town along the highway. Little damage was done except in the case of the last one, at about 9 o'clock Wednesday morning, when some fencing and a telephone pole were consumed. This pole in falling put out of commission a long-distance line between San Francisco and San Jose and gave the trouble department of the telephone company a night's work in repairing. For several hours there was no phone connection between the two cities.

WOODMEN OF THE WORLD HAVE ENTERTAINMENT WEDNESDAY

Many Woodmen of the World and their friends assembled at Fraternal Hall Wednesday evening for a moving picture entertainment put on by Chas. H. Ellis. The pictures showed the story of a man who joined the Woodmen against his wife's wishes. Later he was frozen to death in Alaska, and the widow's lot was made much easier by the receipt of his insurance money from the order. A feature of the picture was that his lodge credentials and papers were lost in Alaska and not found for nearly two years, but that the money was forthcoming promptly on their presentation. A comic picture also formed part of the entertainment. An address on Woodmanism was given by District Organizer Aaron Rudd.

BROTHER OF MRS. W. L. HICKEY DIES FOLLOWING OPERATION

Charles G. McCarthy of 2243 Polk street, San Francisco, died Saturday of last week at the Mount Zion Hospital, following an operation for appendicitis. The young man, who was but 30 years of age, died after an illness of only two days. He was a brother of Mrs. W. L. Hickey of this city. The funeral took place Tuesday.

Charles McCarthy had made an enviable record for himself in the business world. At the time of his death he was the manager of the National Ice Cream Company and a trusted employee of that large concern. The bereaved family have received a letter from the company in which is set forth an appreciation of the admirable qualities the young man possessed and the great loss the company felt it sustained in his decease.

Some men seem to be born on the losing side.

The world is long on geniuses and short on workers.

THE ROD OF MOSES

The Bible relates that the rod cut by Moses turned into a serpent when he cast it down. It is significant to 4000 orchardists of California that Moses cut the rod from an almond tree.

The California almond growers in the light of their treatment in the new tariff bill feel that they have hold of 7,000,000 serpents in the shape of almond trees covering 100,000 acres of the soil of this State. Having invested their time, labor, and more than \$50,000,000 in the cultivation of almond orchards, they charge they are about to lose them because the new tariff bill now before the House of Representatives provides only four cents duty on unshelled almonds and eight cents on shelled nuts.

According to accurate trade figures, eighty per cent of American demand for almonds is for the shelled almond. This American market is now entirely in the hands of the speculators importing the peasant-grown and shelled Southern European almond.

To get a fair share of this American shelled almond market, the California growers are asking Congress to make the tariff bill conform to nature. They want a ratio of three to one fixed as between the duty on unshelled and shelled almonds—five cents on unshelled and fifteen cents on shelled. Even with this, they say, they will have to buck difficult competition of European shippers who landed 40,000,000 pounds of almonds in the United States, two-thirds of them being shelled at a labor cost of only ten to fifteen per cent of California high-standard-of-living wages.

Surely, California and her farmers are entitled to their reasonable demands in this case so vital to our welfare. Every loyal Californian should make it his or her business to write our Congressmen on the subject.

Anybody can fight temptation, but anybody can't wait it.

The bass are always jumping on the other side of the river.

Wanted—Experienced stenographer, should be good at figures; \$125 per month. E. H. Edwards Co. Wire Works, So. San Francisco.

Aunt Susan's Dilemma.

Aunt Susan, an old Maryland darkey, was being registered for the first time. Like many other women who were torn between their desire to vote and retain their youth, Aunt Susan neither relished telling her age nor discussing other private matters.

"What are your affiliations?" asked the registrar.

"Why, boss, I don't hav' to tell dem, do I?" queried Aunt Susan in dismay. "Answer the question," commanded the hard-hearted registrar.

"But, boss," protested Aunt Susan, "I don't like to. He's got a wife and five children."—Philadelphia Public Ledger.

SAN BRUNO LOCALS

Robert Hayes Smith was in town Tuesday.

Mr. and Mrs. Privett spent the week-end at Capitola.

Mrs. Vallerger and children left for Vallejo last Sunday for a two weeks' vacation.

Mr. Ochs of the Cabin Garage left Monday for a week's holiday at Monte Rio. His charming wife accompanied him.

The Brotherhood of American Yeomen held an initiation Tuesday evening, at which Norman M. Nasits was admitted to the order.

Mr. Arney, who has been an inmate of the Fairmont Hospital for the past few weeks, has returned home, greatly to the satisfaction of his large circle of friends and acquaintances.

Mr. Grisez, a newcomer in this city, is building a fine home on Chapman avenue, Third Addition. It is fast approaching completion, and when finished will prove a welcome addition to this part of town.

Last Sunday Mrs. Frank Holmes Smith, wife of Dr. F. H. Smith, left with her sister, Mrs. Munroe, her little son Harry and cousin Theodore for Jolon, near Kings City, where she stayed with her brother, D. G. Fisher, who owns a fine country home there. Mrs. Smith returned Tuesday afternoon. Her son, Harry, will spend the balance of his holiday with his uncle.

CAR BURNED TUESDAY NIGHT.

A fine car owned by one A. Tariti was burned Tuesday night in Sneath Lane, prior to which it appeared to have been stripped, although the owner claims to the contrary. The fire started about 11 p. m. and was still burning Wednesday morning.

WOMEN MEMBERS OF YEOMEN TO APPEAR IN MALE GARB

Next Tuesday night promises to be replete with fun for Homestead No. 910, Brotherhood of American Yeomen. On that night the lady members of the order will have to be garbed in male attire or be subject to a fine for failure to so appear. Two prizes will be given on that evening to the two ladies making the best appearance as a man.

EDITOR CLAIMS PLOT TO DRIVE HIM OUT OF TOWN

During the past week the Herald was sued by E. D. Christie for \$10,000 for having published in its columns that he had been arrested by the Potrero police for driving a car while drunk, which resulted in the serious injuring of a man named Pardo, who was occupying a seat in the car at the time of the accident. The Herald has retained District Attorney Swart to defend it, and its proprietor states that he will fight the case to the end. Mr. Helmore, the editor, claims there is a plot among a certain element in San Bruno to drive him out of town, as the Herald gives too much publicity to their activities.

THREE NEW BABY BOYS TO MAKE THEIR HOMES HERE

Mrs. Joseph Duch of Third Addition became the mother of a baby boy during the past week at the Mills Memorial Hospital, San Mateo. Both, we are pleased to state, are doing well.

A baby boy was born to Mrs. Ralph Olson of Fourth Addition during the past few days, the happy event occurring at the Mills Memorial Hospital, San Mateo. Reports show mother and child progressing well.

Mrs. Manuel Brown of Millbrae has presented her husband with a fine healthy baby boy, and in consequence the happy father is being made the recipient of hearty congratulations from his friends and neighbors.

TRUSTEES REFUSE RECALL ELECTION

Hot Session Marks Meeting When Recall Petition for Mayor Is Presented; Audience Gives Mayor Ovation.

The meeting of the city trustees Wednesday night proved one of the most exciting and replete with movement of any for a long time. The hall was packed an hour before the meeting, many standing in the corridor outside.

On motion of Trustee Dr. F. Holmes Smith, seconded by Trustee Kane, the regular order of business was suspended in order to take up the matter of bids for street work. Only one bid was received, this being from the Municipal Improvement Company. This bid was laid over until next meeting in order that exact figures per lot may be worked out. As far as could be judged from a superficial examination, it would seem that the cost of macadamizing will be from \$120 to \$160 per 25-foot lot.

Robert Hayes Smith was then given the privilege of the floor, and explained the matter of the check that had been sent in by his office during his absence in New York, and which had been, through a clerical error, drawn on the wrong account. Mr. Smith stated that on his return he was informed of the mistake, and at once had a check drawn in payment of his taxes, and that it was in due course accepted by the city clerk. As regarding the water system, Mr. Smith denied the allegation of some citizens that when they bought their property from the Huntington Park Realty Company the transfer carried with it a title to the water system as far as their individual property was concerned. All the company had undertaken, he stated, was to assure its clients that water would be furnished them, which had been done. An opportunity was then given for any citizen to ask Mr. Smith questions, but none responded.

An ordinance was passed to print regulating the holding of dances in this city, making it necessary to get a permit. This is intended to keep parties from outside the city giving dances, to the detriment of local people. In answer to Mr. Mangerson, it was explained that any organization or society in San Bruno would, on application, be given a license to hold dances for a period of six months, which might be extended on completion of such term. The ordinance calls for the closing of all dances by 1 a. m., but on application the time may be extended to 2 a. m.

The recall petition on being taken up was read by the clerk, upon which Trustee Kane demurred to the names on the petition being read, but on request of Dr. Smith they were ordered read. Trustees Kane and Palmer, after the reading, made a determined effort to have the board order an election, but on vote of the board permission to hold such was voted down, the majority giving as their reasons for such action that the petition did not

state sufficient cause for incurring such expense. The majority stated that the matter could be taken to the superior court and a mandate applied for should the minority so desire. Mayor Grundy then addressed the meeting and explained at length the policy which the board had adopted and showed, apparently to the satisfaction of those present, that every action of the majority of the board had been in the best interests of the city. In closing, Mayor Grundy personally addressed William Maurer and charged him with deliberately falsifying facts, and gave him the privilege of the floor to answer his charges. This Maurer refused to vail himself of, such failure being received by the audience with hisses and groans. Cheers were called for for Mayor Grundy and were given vociferously. There seemed no doubt among those present as to what action the people would take should a recall election be held, viz: the overwhelming return of the president of the board. After the meeting Mr. Grundy was the recipient of an ovation, many crowding around him to shake his hand and congratulate him on his magnificent defense.

Before leaving the hall Mayor Grundy stated that if by the next meeting the citizens would have a petition ready, either for his retention or recall, he would gladly and willingly abide by the result, and it has been decided that a petition will be circulated expressing full confidence in the honesty and integrity of the mayor and requesting him to continue in his position. This petition will be in circulation this week and all citizens in favor of the retention of Mr. Grundy are asked to sign it.

PROPRIETOR OF LOCAL CAFE TAKEN BY PROHIBITION COPS

During the past week the Sixteen-Mile House was raided and the proprietor arrested for violation of the Volstead act. During the melee with the officers the proprietor was struck on the head with a pistol, inflicting a severe scalp wound which necessitated surgical attention.

DADDIES' CLUB PLANS NOVEL ENTERTAINMENT FOR BOYS

Next Monday evening the Daddies' Club will entertain the boys of San Bruno between the ages of 12 and 21 with a novel and attractive entertainment at which many surprises for the youngsters are promised. In addition, an appetizing supper will be served the young guests. Chairman Brose of the committee of arrangements can be relied upon to make it a successful evening, and with Ode Osborne as master of ceremonies nothing should be wanting.

The One He Loved Best.

An Atlanta husband, having offended, came home the evening of the quarrel with a parcel under his arm. "Darling," he said to his wife, "look here. I've got something here for the person I love best in all the world." She came forward with a shrug. "Humph! What is it?" she asked. "A box of cigars?"—Thermoid News.

COLMA LOCALS

Irvin Bonholdt was visiting friends here Monday.

Mrs. John Biggio is recuperating from her recent illness.

Little Tillie Camanzind is visiting with Mr. and Mrs. Ittig of San Francisco.

Miss Lena Camanzind is spending her vacation at the Moore home in San Francisco.

Miss Matilda Bleacher is spending her vacation for the month of July at Manteca, Calif.

After occupying the old Harrison home for a short time, the Hale family moved to Daly City during last week.

Miss Mary Rossi of San Francisco is spending her vacation here with her cousin, Miss Libera Boetto, for two weeks.

Philip Deller Jr. was so unfortunate as to break his arm while cranking his roadster last Wednesday evening.

Mrs. Carl Swartz and son, Carl, returned last week from La Honda, where they spent a few weeks' vacation with friends.

Louis Lagomarsino and family, with friends from San Francisco, motored to San Carlos during the week, where they spent the day.

The directors of the Colma Community Center are making preparations for a series of dances to be given in the near future.

A. J. Collins, a druggist of San Francisco, has taken the management of the Colma Pharmacy while W. J.

Mowry is on a vacation of two weeks.

After visiting relatives and friends at Lansdale, Mr. and Mrs. Fred Goss returned to their home on Rainier street during the latter part of the week.

Miss Ellen O'Connell of Daly City, Mrs. Ed Lopez and mother, Mrs. Philip Deller, Philip and Harry Deller left Monday for the Big Basin, where they will spend several weeks.

Mrs. Claudio Cattori, who has been ill at the South San Francisco Hospital under the care of Dr. F. S. Dol-

ley, is in a much improved condition and will return to her home soon.

Mrs. Camille Benassini, active member of the United Ancient Order of Druids No. 14, has been appointed district deputy by Elizabeth Berry, grand arch druidess of the women's branch.

After spending Saturday, June 25th, at the gardeners' picnic at Alum Rock, San Jose, Mrs. Jennie Boicelli and sons, David, Angelo and George, have spent the following three weeks at Casa del Rey, Santa Cruz.

Mrs. A. J. Slate and charming

Burlingame, Calif.

daughters, Maxine and Nadiene, left Thursday of last week for Los Angeles, where they intend staying for a month or so with Mr. Slate, who has been there for a short time.

After a three months' pleasure trip touring the state in his Kissel Kar, Victor L. Schath of Burlingame has returned to his home. He reports having had almost enjoyable trip, the fishing and hunting being fine.

Mr. and Mrs. W. J. Mowry and children, Francis and Bernadette, and Miss Marguerite Mitchell of San Francisco left Monday morning on a two weeks' motor trip to the south. They intend to make stopovers at all large cities as far as Calexico, Mexico.

Mrs. Peter Peterson and children, Laurence and Dorothea; Mrs. James Callan and children, Meta and Katherine, and niece and nephews, Dorothy, John Edie, Robert, and George Dennis, left Tuesday last for Moss Beach, where they rented a cottage for their vacation.

On Sunday, July 10th, the Rev. Father Martin M. Concannon of Holy Angels' parish left for Menlo Park, where he will be in retreat for two weeks, before leaving for Ireland, where he will visit for several months. During Father Concannon's absence, the Rev. Father Austin will take charge of Holy Angels' parish.

BIG BENEFIT WHIST PARTY.

The big benefit whist party to be given by the Girls' Club of Colma for the Colma library at the Colma Community Center on Dunk street, will take place Saturday evening, July 16th. All members of the Girls' Club are working energetically to make the affair a success. Refreshments will be served, good music and dancing will follow.

WHIST TO BE GIVEN NEXT TUESDAY NIGHT

On Tuesday evening, July 19th, a whist party will be given at the old Jefferson Hall on San Pedro avenue under the auspices of the Women's Order of Druids No. 14, U. A. O. D. After the whist, there will be games and dancing. Score cards, 25 cents. The committee in charge are: Pauline Benassini, Mrs. Robert Heeringer, Mrs. Ed Bauer, Mrs. Fred Volpman, and Mrs. Leon Fellman Jr.

BOY FRACTURES SKULL IN FALLING FROM TREE

On last Thursday evening Colastine Cecci, youngest son of Mrs. Cecci, met with a very serious accident, falling from a tree near the Bertucci home. For some time past Colastine has made it a practice to climb up that tree every evening imitating Omar Locklear. The boy was badly injured in the fall, sustaining a fractured skull. His physician has slight hope of his recovery.

PRETTY CHRISTENING.

The infant daughter of Mr. and Mrs. Jos. Camanzind was christened Sunday at Holy Angels' Church, Father Austin officiating. The godparents were Mrs. E. Schuler and Andrew Moore Jr. The little girl was named Dorothy Sophie. A dinner followed the christening at the parents' home on Bryant street, which was beautifully decorated with maidenhair ferns and La France roses. Those present were: Mr. and Mrs. J. Camanzind, Mr. and Mrs. L. Jost, Mr. and Mrs. A. Moore, Mrs. E. Schuler, M. Ittig, Florence Ittig, Francis and William Jost, Mary, Ida, Helen, Marguerite and Andrew Moore, Mary, Lena, Joseph, Tillie, Charles, Ida, Albert, Elizabeth, Alma, Julius and Dorothy Camanzind.

SURPRISE PARTY GIVEN FOR MISS STAMPANONI

A surprise farewell party was tendered Miss Theresa Stampanoni by her numerous friends at the home of Mr. and Mrs. John Callan on Werner avenue Wednesday evening, July 6th. Miss Stampanoni is the only daughter of Mr. and Mrs. Angelo Stampanoni. The young lady, who is employed at the Colma State Bank, left on her vacation Thursday morning for Santa Cruz, where she will remain for a few weeks. The Callan home was beautifully decorated, the prevailing decorations being green and orange streamers, with marigolds. The evening was spent with music, singing and dancing among other numbers being Italian songs by Leo Graziani; Winifred, Grace and Lillian Cortage, vocal selections; Gladys Callan, Louise and Dorothy Silicani, oriental fancy dancing; Ophelia Fox, pianist, and Hugo Fox, ukulele solos. At midnight a delicious repast was served. Carl Jones acted as toastmaster. The following participated in the evening's pleasures: Mr. and Mrs. John Callan, Mr. and Mrs. Earl Jones, Mr. and Mrs. Robert Silicani, Mr. and Mrs. Joseph Silicani, Mr. and Mrs. Edward Cortage, Mr. and Mrs. Albert Silicani, Theresa Stampanoni, Anita Arminio, Winifred, Grace and Lillian Cortage, Angelina and Elsie Varni, Hugo and Ophelia Fox, Carl Jones, Leo Graziani, George Krehl, John Moresco, Charles Zipser, Louis Nava, Timothy O'Hare, Gladys Callan, Louise and Dorothy Silicani, Angelo Stampanoni Jr., John and Robert Callan. Refreshments of ice cream and cake were served.

No, sister, the jink who put the jazz into music didn't put it in after all. He just crowded the music out.

THE MONUMENT TO THE PILGRIMS

A TOP TOWN HILL in Provincetown, Massachusetts, looking out over the restless sea from the great arm which that state flings out into it, stands a great and impressive monument of extraordinary beauty and great dignity.

This monument, one of the tallest on this continent, commemorates the anchoring of the Pilgrims in the historic Mayflower in the year 1620, their adoption of the first charter of a democratic government in the history of the world, the birth of the first white child born in New England and the whole chain of happenings which preceded the settlement at Plymouth.

Built entirely of Maine granite, the construction supervised by the Engineering Department of the United States Army, this structure rests upon a sixty-foot-square foundation, is 28 feet square at the base, approximately 252 feet high and the site is about 100 feet above the tides. The architecture is of the Italian Renaissance order, the design having been copied from the tower of Torre del Mangia at Siena, Italy.

The site was provided by Provincetown; the cost of the monument was defrayed by a joint fund contributed by Congress, the Commonwealth of Massachusetts, the town of Provincetown and individuals in all parts of the country. Dedication exercises were held on August 5th, 1910, the President of the United States being in attendance.

This staunch and magnificent commemorative structure, standing in silent triumph, is typical of the reliance and love of freedom which characterized this little band in their battle with the elements and fate and of their descendants in all parts of the world.

It's the half truth that hurts.

Curiosity.

In a street car the other day a man and his wife saw a cockroach on the floor.

"I never see one of those things," said the man, "without wondering where it came from."

"And I never see one," said the wife, "without wondering where it is going."—Youngstown Telegram.

Who Remembers

When a dime and no war tax bought a pretty good deck of cards?

EDWARD F. BARATY A POPULAR OPTICIAN

Edward F. Baraty of 212 O'Farrell street, San Francisco, whose business policy is first-class work at moderate prices, is building up a large clientele among those who have optical work done in San Francisco. Mr. Baraty is both an optometrist and an optician, and those who have work done by him become optimists, as his services enable them to see the bright side of life.—Advt.

Are You Fully Insured?

Owing to our new Fire Department and Fire Alarm System, South San Francisco has been granted a reduction in Fire Insurance Rates of from ten to twenty-five per cent. Take advantage of this new rate by increasing your protection. Don't forget your household furniture. Many a man has been burned out without insurance on household effects. Our policies cover household furniture, clothing, personal effects, musical instruments and everything contained in a modern home.

NOTIZIE DALLA CONTEA
IN ITALIANO.LA RIUNIONE DEI
SUPERVISORS TENUTA LUNEDI'

Alla sessione di Lunedì dei supervisors della contea, una richiesta del Record-Tattler di Daly City per \$2154 per pubblicare la lista dei delinquenti sulla tassa della contea, fu ritenuta fino alla riunione prossima per investigazione.

L'ammontare della richiesta sembra apparentemente eccessivo.

La Signora Emma A. Woolsey di Colma fu appuntata assistente nella libreria della contea per la città di Colma.

Un'applicazione del V. Del Sarto per licenza di venditore ambulante di pannina in Colma fu rilasciata.

L'agente ricercatore della contea E. H. Werder presentò calcoli indicanti l'ammontare che lui potrebbe assicurare per la vecchia automobile Haynes nel dipartimento di perizia in cambio con una nuova.

Avendo l'agente della Haynes fatto la più larga offerta \$400, Werder fu incaricato di acquistare una nuova suddetta macchina per il perito.

Questo fu pure incaricato di comprare una Chevrolet per il dipartimento scolastico.

Il concilio si riunirà di nuovo Lunedì venturo.

EDWARDS WIRE WORKS

PORTA L'UFFICIO GENERALE
A SOUTH SAN FRANCISCO

La Edwards Wire Works porterà il suo ufficio di città da San Francisco alla fabbrica di questa città la settimana prossima.

Questo fa la terza grande fabbrica che abbia condotto l'ufficio generale in questa città recentemente essendo le altre due, Virden Packing Company ed Western Meat Company.

Viene riportato che pure la Pacific Coast Steel Company porterà il suo ufficio generale in South San Francisco.

COMINCIA IL LAVORO

PER IL NUOVO GRANDE
OSPEDALE DI \$250,000

Il lavoro per il nuovo ospedale della contea cominciò Lunedì scorso quando una escavatrice a vapore dette principio alle fondamenta per il nuovo edificio in Beresford.

Il contratto generale richiede, non compresi i lavori di riscaldamento, di ventilazione, di luce elettrica, etc., circa 300 giorni per essere completato, e si crede che l'edificio sarà terminato nel termine di un anno.

SOSPETTO LADRONERO RITENUTO
PER LA CORTE SUPERIORE

James Troutman, al nero arrestato in South San Francisco recentemente ed accusato di ladrocinio nel Bluebird drug store in Burlingame, apparve davanti al city recorder di Burlingame ed era tenuto per causa nella corte superiore.

Mildred Wilson, donna nera arrestata col Troutman qui e ritenuta per possessione di narcotici fu rilasciata per mancanza di evidenza.

MANOVATORE RITENUTO

Minnie Solves the
Problem

By WILLIAM FALL

(Copyright, 1921, Western Newspaper Union)

When Folsom was sent to the Philippines he told Miss Ferris that he would have something very important to write to her as soon as he had established himself. It was something which he could not say to her then because Ada Ferris was rich and Folsom had his way to make in the world. But when he looked into her eyes he knew that she would wait—that she was the kind that would wait years—perhaps forever.

It was lonely in Manila, in spite of men friends who took one out to dinner and whom one entertained at one's bachelor quarters. In fact John Folsom had only one real friend—Minnie, his little monkey, who had been captured, a tiny baby, in the forests of Mindanao. She was the tiniest and most affectionate creature that he had ever seen. One day he found her perched gravely in front of Ada Ferris' photograph, examining it, evidently with approval, for she made a little chattering noise that signified happiness.

"Some day, Minnie," said Folsom, as she snuggled into his coat, "some day we three will be in a world of perfect happiness."

Then he sighed, for he had not written to Ada Ferris so regularly as he had been used to do. Perhaps it was because his promotion came slowly. It could not have been because of Lilith Aintree, Judge Aintree's daughter, who was the belle of the American colony, and who distinctly liked Folsom. The old life seemed very far away now. The new life was pleasant and alluring. He had been taken up by the colony; everybody believed that he and Lilith were engaged. He must make his decision.

The day of his decision came. It was a perfect afternoon in the season of rains. John Folsom, his little companion perched on his shoulder, was seated in a swinging chair in Judge Aintree's garden. Lilith was seated in the hammock under the tree, and all the other guests had discreetly withdrawn to a distance.

She had meant to capture him that day and never had she looked more captivating. He came to her side.

"Lilith," he began hoarsely, taking her hand. "I—I—" He choked; he could not continue.

Just then he heard the judge calling him. "Folsom, come here!" he yelled. "Come and get some iced lemonade for Lilith and yourself!" Folsom hurried away and presently, coming back with the lemonade, saw something which astounded him.

Lilith, in the excess of fury, had reached up and grasped the monkey, and now, holding her fast by the throat with one hand, was thrashing her with the other. The little animal was nearly choked; she could not scream, but, with both hands over her head, strove vainly to ward off that shower of stunning blows. Then Folsom came up as Lilith flung the creature from her.

Minnie crept sobbing into John's arms. He turned and faced the girl who, disheveled and flushed with passion, stood gazing at him uneasily. "I thrashed the little beast," she said.

"What did she do to you?" asked John quietly.

"She sat on the tree and made faces at me," Lilith answered petulantly. "And I tell you, John, unless you get rid of the beast you must—"

She had meant to say "get rid of me," but something in John's face checked her.

"I'm sorry if I hurt her, John," she said. "But the little wretch hates me and I can't bear to be hated. I want to be loved, John," she added, lifting her face toward his.

A sudden loathing for her came with his new understanding.

"Lilith," he said, "a woman who would beat a helpless dumb brute would beat a child."

"What do you mean?" she cried. But he said no more. Holding the monkey tightly to him he walked away. And Lilith knew. She knew that the mother instinct, which alone can hold a man, had failed her; she knew that she had irretrievably lost him. He had found her out at last.

"Little mascot," said John, when he set Minnie down upon his table, "there's a long letter from some one in Boston that we haven't answered yet. Shall we write to her this afternoon?"

And Minnie picked up his pen just at that moment and held it toward him.

And Then "Pat-Ended."

An Irishman stood looking at an electrical contrivance, when an inventor walked over to him and asked: "Some machine; I wonder who the inventor is?"

The Irishman looked at him and replied: "Sure it was a son o' the sod. Can't you see his name there—'Pat Pending'—Science and Invention."

de tranvia elettrico che investì ed uccise Pacifico Morazzini in questa città recentemente, ebbe un prelinunare esame nella corte del Giudice Cunningham Venerdì scorso e fu ritenuto sotto accusa nella corte superiore sotto accusa di omicidio.

Morazzini fu ucciso quando il suo cavallo s'impaurì del tranvia che si avvicinava e lo portò così vicino al medesimo che da questi fu investito e gettato al suolo.

JENNY WREN STORE MAY
COME TO SOUTH S. F.

The Jenny Wren Stores Corporation contemplates establishing at least thirty grocery stores in the state of California alone. This company has recently incorporated for one hundred thousand dollars.

The first store was established at 2765 Mission street, San Francisco, February 26th of this year. Unit No. 2 will be opened Saturday of this week at the corner of Shrader and Waller streets. The rapid growth of the Jenny Wren Stores system is unprecedented in the history of any legitimate commercial business on this Coast, and a splendid future is predicted for this enterprise.

The expense of operating the Jenny Wren chain of stores is a great deal less than operating stores as a rule, because they have no expense of showing goods, wrapping, delivery, etc., and carry no accounts. Unit No. 1, located at 2765 Mission street, is doing a cash business of about \$30,000 per month.

This company has been incorporated and has taken over the assets and good-will of a copartnership heretofore existing between E. W. Trapp and B. E. Eshelman. Officers of this corporation consist of E. W. Trapp, president and general manager; B. E. Eshelman, vice-president and treasurer; T. Beauregard Wilmet, secretary and director of sales, and M. C. Sousa, auditor. The officers of this corporation give their personal assurance that they will head every energy to make this company the most successful of its kind in the United States. President Trapp says: "We have shown our ability to build up our already successful business—we can and will do bigger and better things, and we propose to make the Jenny Wren System the greatest enterprise of its kind in the West."

Leases have been secured to open three other units in San Francisco, and negotiations are now under way to open a unit in South San Francisco and other peninsula towns, including San Jose.—Adv.

Horror.

"Tough about poor Smith, wasn't it?" said Jones gloomily.

"What happened him?" asked Brown.

"He got so far behind in his room rent that he had to marry his landlady," replied Jones.—Nashville Ten-

Even though you do one thing well, you probably could do it better.

Treating the Wife.

"Going to the auto show?"

"Yes."

"Intend to buy a new car this year?"

"No. But I don't mind letting the wife have a look at the new car I would buy here if I were financially able."—Detroit Free Press.

Canadian Fisheries Productive.

The value of Canada's fisheries production amounted to \$50,000,000 last year.

Chance for a Brave Man.

"With the assurance that you love me, Gladys, I can go forth and fight the world," said the young man with the pink tie.

"Well, Reginald," replied the sweet young thing, "if you really feel that way about it, commence by going and breaking the news to papa."—Yonkers Statesman.

A Beautiful Thought.

There is robbery in every business except your own.

Prompt ServiceThis is the Week to Buy
a Buck's Range
on exceptionally advantageous terms

Buck's Gas and Coal Ranges, and Combination Ranges are as fine stoves as can be built—none better—few, very few as good. Yet they cost no more than inferior makes. In our handsome new Stove Department we show a great variety of these splendid Stoves, for which Lachman Bros. are the sole San Francisco Agents. There's a Buck's Range for every purpose. Small, compact Gas Ranges for kitchenettes, larger sizes with additional conveniences for larger kitchens; ranges for coal and wood; and the best ranges of all—Sanitary Porcelain Enameled Combinations, white, grey, blue or black, that burn either coal, wood or gas.

A Genuine Buck's
Gas Range

as pictured-connected

\$54.50

Oven 19 inches deep, 16 inches wide. Oven and broiler have white enameled doors.

Buck's Combination
Coal and Gas Ranges

\$132.50 to \$285

Sold on Easy Terms, and a liberal allowance made for your old cook stove

Finer Stoves than Buck's Combinations are not built—few as good—yet they cost no more than inferior makes. They cook and bake perfectly with either fuel. Lachman Bros. Sole Agents.

FREE This Week

with any Buck's Combination Coal and Gas Range—Choice of a 52-piece Set of Dishes worth \$20.00, or a "Pemco" Porcelain Top Kitchen Table that sells regularly for \$14.85.

Mission Headquarters for Victorolas and Victor Records

LOCAL HAPPENINGS IN SOUTH SAN FRANCISCO

Charles Hein returned home Saturday from Yosemite Valley.

Mrs. A. D. Flagler of Oakland visited Mrs. A. P. Scott Thursday.

Miss Elizabeth Coffinberry is visiting Mrs. J. Hetzler at Berkeley.

Tom Blackwell from Quincy has returned to South San Francisco.

Mrs. J. H. Kelley was a visitor at the E. O. Lynch home the past week.

Mr. and Mrs. Louis Nieri have left for a motor trip to Crater Lake.

Mrs. E. J. Cole of Vallejo is visiting at the home of her mother, Mrs. A. J. Nussel.

Misses Anna Wilson and Elsa Van Tassell spent July 2d, 3d and 4th at Fairfax.

Mr. and Mrs. A. J. Nussel left today (Friday) for a few weeks' visit at Portland, Ore.

Dr. F. S. Dolley and A. Hynding are at "Fairbanks," Boulder Creek, for a two weeks' vacation.

Mr. and Mrs. Charles Larson have moved back into their former home on Grand avenue.

Word has been received from Miss Rue Clifford that she is having a fine trip through Yellowstone Park.

Mrs. J. James and son, Jack, and daughter, Myrtle, left Monday for a few weeks' stay at Mount Herman.

Mrs. R. W. Burge returned the first of the week from a visit with her mother, Mrs. J. J. Mercy, at Fresno.

Miss Laura Baldini will leave Saturday with Mrs. Haubrich and daughter, Sylvia, for a three weeks' stay at Capitola.

Mrs. D. N. Stearns and daughter, Dorothy, are spending a few days at the home of Mrs. Thomas Tose at San Bruno.

Miss Margaret Schmidt returned to her home last week from the local hospital. Miss Schmidt is improving slowly.

Mrs. W. S. Wilson and children, Noel and James, are on a business trip to Modesto. They expect to be gone a month.

Mrs. George Killorn and daughter, Martha, of San Francisco spent Wednesday and Thursday at the home of Mrs. A. J. Nussel.

Mr. and Mrs. I. M. Dotson left Monday for Santa Cruz, where they attended the funeral of Mr. Dotson's sister, Mrs. Dorothy Dutcher.

Mr. and Mrs. Reese Lloyd left last week for a camping trip in Trinity county. Reese Lloyd Jr. is visiting relatives in Kansas.

Mrs. James Kay entertained Mrs. George Killorn of San Francisco and Mrs. E. J. Cole of Vallejo at a luncheon at her home Wednesday afternoon.

Mr. and Mrs. A. J. Berg of San Jose spent Sunday at the home of Mr. and Mrs. J. H. Holbrook. Their daughter, Bertie Berg, returned home with them.

Miss Bertie Berg of San Jose spent several days last week at the home of Miss Bernice Holbrook. On Thursday night a number of young people were invited in for the evening in honor of Miss Berg. The evening was spent in music and games, refreshments being served later.
